NORWOOD COMMUNITY CLUB INC
NOTES TO THE FINANCIAL REPORT FOR THE YEAR ENDED 31 JULY 2013

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The Norwood Community Club Incorporated ('Club') is a not-for-profit entity domiciled in Australia and is owned wholly by the South Australian Jockey Club Inc (SAJC). On 1 December 2004 the Club adopted the constitution of the SAJC, giving the SAJC effective control over the Club.

The financial report was authorised for issue by a resolution of the Directors on the 5th day of November 2013.

Statement of Compliance

The Club has previously adopted AASB 1053 Application of Tiers of Australian Accounting Standards and AASB 2010-02 Amendments to Australian Standards arising from Reduced Disclosure Requirements in the financial year beginning 1 August 2011 to prepare Tier 2 general purpose financial statements. The consolidated financial report of the Group and the financial report of the Club are Tier 2 general purpose financial statements which have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements (AASB – RDRs) (including Australian Interpretations) adopted by the Australian Accounting Standards Board (AASB).

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements ('AASBs') adopted by the 'AASB and the Associations Incorporation Act 1985.

Basis of Preparation

The financial report is prepared in Australian Dollars.

The financial report is prepared on the historical cost basis except that the following assets and liabilities are stated at their fair value: intangible assets.

The Club has disclosed rounded amounts in the financial report and Directors' Report to the nearest thousand dollars, unless otherwise stated.

The preparation of the financial report requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. These accounting policies have been consistently applied by the Club.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

1.1 Cash and Cash Equivalents

Cash and cash equivalents comprise cash balances.

1.2 Income Tax

The Club is exempt from Income Tax.

NORWOOD COMMUNITY CLUB INC
NOTES TO THE FINANCIAL REPORT FOR THE YEAR ENDED 31 JULY 2013

1.3 Goods and Services Tax

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the balance sheet.

Cash flows are included in the statement of cash flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the ATO are classified as operating cash flows.

1.4 Receivables

Trade and other receivables are stated at their amortised cost less impairment losses.

1.5 Payables

Trade and other payables are stated at their amortised cost. Trade payables are non-interest bearing and are normally settled on 60-day terms.

1.6 Intangible Assets

In February 2005 the State Government of South Australia amended the Gaming Machines Act (1992) ("Act") inserting Division 3A into the Act. The act provides a mechanism for gaming machine entitlements to be sold at a fixed legislated value. Club controlled gaming machine entitlements are recorded at their fair value. This class of non-current assets, measured at fair value, is assessed annually to ensure the carrying amount does not materially differ from its fair value.

Revaluation increments, on a class of assets basis, are recognised in the Asset Revaluation Reserve except that, amounts reversing a decrement previously recognised as an expense are recognised as revenues. These intangible assets have not been internally generated and have indefinite useful lives.

Revaluation decrements are only offset against revaluation increments relating to the same class of asset and an excess is recognised as an expense.

Effective 28 February 2006 the Club ceased operations and these Gaming Machine Entitlements are not in use, however, remain the property of the Club.

1.7 Going Concern

The financial report has been prepared on a going concern basis which contemplates the realisation of assets and settlement of liabilities in the ordinary course of business. The Club operates as a going concern due to the continuing support of the parent entity, the South Australian Jockey Club Inc (SAJC).

On 14 July 2011, the South Australian Government introduced a trading system for gaming entitlements. The most recent trading round was held on 13 June 2013, and resulted in a sell price of \$38,937.50. The SAJC has valued its entitlements at \$37,500 per entitlement until such time as the recently introduced trading scheme has proven to be an active market on which to determine an alternative fair value.
